MSS CM CM2 and CMA

JAMES CUNNINGHAM AUTOGRAPH COLLECTION

There are entries in the index of manuscripts under both senders and recipients of letters in the miscellaneous collection CM, apart from James Cunningham as recipient. There is an A4 listing of letters to Cunningham in the supplementary box of inventories. In the collections CM2 and CMA, there are entries in the index under major signatories to documents. There are A4 listings of authors of letters in CM, and of headings in CM2 and CMA in the supplementary box of inventories.

A key to the arrangement of information given on the slips is located in a sheaf binder ~~at the end of the index to~~ *labelled* ~~manuscripts.~~ KEY TO BROWN CM - WD (and BRO 156)

A superseded catalogue in ledger form also exists, with modern indices to it; these are kept in the supplementary box of inventories.
