

New College Library Archives and Manuscripts

Interim Handlist: Contents List

Collection reference	MS OLD or GD 2
Collection title	Papers of Joseph Houldsworth Oldham (1874-1969)
Shelfmark(s)	MS OLD 1-29
About this handlist	Scan of an older typescript list

There are eight separate PDFs for the catalogue. The first five form a basic index to material with the remaining three forming an 'analysis' of the records, drawing out major topics and themes. The PDFs use the shelfmark MS OLD rather than the later collection reference GD 2.
