

SECTION 11

SCOTTISH MPS AND THEIR INTERESTS

We list here Scottish MPs by constituency and show the interests which they have declared in The Register of Members Interests on 5th June 1980 (HC 1979-80, 617). The purpose of the Register "is to provide information of any pecuniary interest or material benefit which a Member may receive which might be thought to affect his conduct as a member or influence his actions speeches or vote in Parliament...Each member is responsible for what is recorded about himself".

Note: under the "Hastings" Agreement, dating from the Labour Party conference there in 1933, a trade union is permitted to contribute up to 80% of the election expenses incurred on behalf of its nominee and to make an annual contribution to his constituency party.
